CASE NO. C17-1654-JCC

MINUTE ORDER

15 The following Minute Order is made by direction of the Court, the Honorable John C.
16 Coughenour, United States District Judge:

17 This matter comes before the Court on the stipulation and proposed order for dismissal of
18 all claims brought against Defendant Chevron Environmental Management Company (“CEMC”)
19 (Dkt. No. 15). Under Fed. R. Civ. P. 41(a)(1)(A)(ii), a case may be dismissed without a court
20 order if there is a “stipulation of dismissal signed by all parties who have appeared.” All parties
21 who have appeared stipulate that all claims against CEMC shall be dismissed without prejudice
22 and without an award of costs or attorney fees. Thus, under Fed. R. Civ. P. 41(a)(1)(A), this
23 stipulation is self-executing.

24 The action against CEMC is DISMISSED without prejudice and without an award of
25 costs or attorney fees. This order does not affect Plaintiff’s action against Texaco, Inc. The Clerk
26 and the parties are DIRECTED to remove Defendant CEMC from future captions. Further,

1 CEMC's motion to dismiss (Dkt. No. 14) is STRICKEN as moot.

2 DATED this 26th day of December 2017.
